Let Indianapolis Executive Airport Serve You...

Indianapolis Executive Airport

Owned and Operated by Hamilton County

...Style

Indianapolis Executive Airport provides its clients an array of luxury services not found in commercial airports; we pride ourselves on offering executive services and exceeding expectations at every turn. From hotel reservations to transportation, we are committed to creating an exceptional experience for each of our guests.

- The only all-weather aircraft canopy in the Midwest accommodating aircraft up to Gulfstream V
- Full concierge services
- Catering available
- Enjoy the comfort of private air travel
- Impress your clients with a unique meeting experience

...Comfort

Do what you can't do in a commercial airliner. Space is abundant in a private aircraft. Catch up on paperwork, convene a business meeting with colleagues, make private phone calls or just kick back, stretch-out and relax. All without the worry of lost baggage.

- Save time without waiting at the ticket counter
- Avoid long security lines
- Experience the privacy of flying with IEA
- Assistance with ground transportation
- Luxurious pilot lounges
- Crew discounts at area hotels

...Convenience

Indianapolis Executive Airport is only 17 miles from downtown Indianapolis and less than 10 miles from downtown Carmel, so if you are doing business in Hamilton, Boone or Marion County, IEA is your gateway.

- Conference rooms
- Wireless internet service
- Flight training
- Pilot supplies
- Certified maintenance repair station
- Aircraft management and charter services
- Courtesy vehicles available
- Rental cars on-site
- Avoid congested air and ground traffic
